Mrs. Cynthia A. Troup  
2357 E Wilson Ave  
Orange, CA 92867

Dear Mrs. Troup:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-001365), dated July 19, 2017, in which you requested the following:

"I have received your correspondence in regards to the Ford Ranger I purchased. The forms do not give me detailed information on the work that was done. I would like to have a detailed repair ticket or final invoice showing the detailed repairs so I know what has been done and what is left to be done. Lastly I would like to know where this vehicle was stationed and if possible which agency it was assigned to."

According to our records, the vehicle was assigned to the U.S. Department of the Navy (Navy) prior to vehicle sale. However, GSA Fleet does not manage the operations of the vehicles that it leases to other Federal agencies. Therefore, GSA has no records that are responsive to the request regarding where the vehicle was stationed.

Please note that although we make every effort to provide the level of detail requested, we are limited by what is captured by our systems. We do not have additional detailed repair information beyond what is listed in the documentation included in our previous response (GSA-2017-000945). For additional information, please contact the Navy through their FOIA Office. The following contact information is being provided.
